

Criteria for Nomination and Induction to the RNAA Hall of Fame

Purpose: To recognize alumni for exceptional commitment and service to the Alumni Association, the School/College of Nursing and/or Research Medical Center.

1. No more than three inductees a year
2. Inducted annually at Homecoming Weekend.
3. Qualifications:
 - last attended school at Research more than 10 years ago
 - continued service to Alumni Association, School/College or RMC
4. Demonstrated commitment to implementation of RNAA mission:
 - “To promote the interests of Research Medical Center and the Research College of Nursing and maintain good relations between the College of Nursing and the Alumni Association.”
 - “To encourage high standards for the nursing profession.”
 - “To encourage social and professional ties between the association, faculty, graduates and students.”
5. Demonstrated commitment to implementation of RCN mission:
 - “Research College of Nursing envisions a future with an interdisciplinary model of health care designed to successfully meet the challenge of improving health.”
 - “Research College of Nursing is a private institution of higher learning committed primarily to excellence in nursing education. The academic community provides an atmosphere conducive to the development of the individual in scholarship, leadership, and service.”
 - “Students are challenged to think creatively and sensitively to formulate a global view of nursing and a commitment to excellence in health care practice. Teaching excellence and scholarly activities are valued as a means to enhance the nursing profession’s role in meeting health care needs. Research College of Nursing encourages faculty and students to provide leadership and service that fosters community growth.”

Thank *you* for *your* interest and participation!
