

INSTRUCTIONS FOR OBTAINING YOUR BACKGROUND CHECK FOR CLINICAL EDUCATION PROGRAM

Research College of Nursing Students

The hospitals associated with our clinical education program require background checks on incoming students to insure the safety of the patients treated by students in the program. You will be required to order your background check in sufficient time for it to be reviewed by the hospital prior to starting your clinical rotation. A background check typically takes 3 normal business days to complete.

The background checks are conducted by PreCheck, Inc., a firm specializing in background checks for healthcare workers. Your order must be placed online through StudentCheck.

Go to www.PreCheck.com and click on the StudentCheck link and then click the Student button.

Complete all required fields and hit Continue to enter your payment information. The payment of approximately \$49.50 (plus state tax for students living in Texas) can be made securely online with a credit or debit card. You can also pay by money order, but that will delay processing your background check until the money order is received by mail at the PreCheck office. For your records, you will be provided a receipt and confirmation page of your background check order placed through PreCheck, Inc.

PreCheck will not use your information for any other purposes other than a background check. Your credit will not be investigated, and your name will not be given out to any businesses.

If you need assistance, please contact PreCheck at StudentCheck@PreCheck.com.
