Daily Rate is for calculating fees for students who move in after the start of a contract period and whose contract includes at least one additional contract period. It is also used to calculate fees for students occupying housing for periods less than a full contract period.

Contract Period dates are for the purpose of calculating rates. For specific move-in and check-out dates contact the Director of Student Affairs.

Standardized rates for three people in a two bedroom townhouse available on request.

Rates for families available on request.

Rates subject to change without notice.
